Forecast For East of England
Issued by Met Office Exeter
at 0400 on Wednesday 22 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cold and frosty morning, rain overnight.

Today:
A bright and frosty start for most. Remaining cold throughout the day, but mostly fine and dry. Turning cloudy later in the afternoon with some rain possible towards the west. Maximum temperature 4 deg C (39 deg F).

Tonight:
Patchy cloudy overnight with some outbreaks of rain. Generally clearer towards dawn with some misty conditions forming in places. Temperatures rising through the night. Minimum temperature 3 deg C (37 deg F).

Thursday:
Quickly returning to a cloudy day with widespread mist and fog. Outbreaks of rain moving eastwards during the afternoon with very poor visibilities continuing at times. Feeling milder. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
Cloudy but dry on Christmas Eve, light rain overnight. Risk of snow early Christmas Day then bright and sunny. Snow possibly returning on Boxing Day, but low confidence.
